Wine & Gourmet JAPAN

Wine & Gourmet Japan 2022 has been postponed

Wine & Gourmet Japan, the only trade fair in Japan that specializes in wine, moved to April 2023.

Wine & Gourmet Japan, originally scheduled for 13 - 15 April 2022 has been postponed to the new date, 12 - 14 April 2023, at Tokyo Big Sight.

Taking into consideration the recent guidance from the Japanese government and in view of the current situation, the management team at Koelnmesse has reassessed the status and set the new date in consultation with the industry and the business partners.

Wine & Gourmet Japan is an international platform for the Wine & Gourmet Food business in Japan. The organisers remain committed to hosting a quality event with optimal business performance for the international exhibitors and professional visitors. In view of the challenging climate caused by restrictions on travel, which will affect all the international participants, and the priority placed on the health and well-being of all attendees, a decision is made to postpone the event to a new date.

Wine & Gourmet Japan remains focused on delivering quality business matchmaking through the event and its supporting programmes, making it the only trade fair in Japan specializing in Wine & Gourmet Food.

The new show date of Wine & Gourmet Japan is from 12th to 14th April in 2023. The organisers are looking forward to delivering a successful edition in 2023.

Koelnmesse - Global Competence in Food and FoodTec

Koelnmesse is an international leader in organising trade fairs in the food and beverage segment. Events such as Anuga and ISM are established, world-leading trade fairs, hosted in Cologne/Germany. Anuga HORIZON in 2022 will mark the launch of an additional event format dedicated to food industry innovations in Cologne. In addition to the events at its Cologne headquarters, Koelnmesse also stages numerous food trade fairs with different sector-specific areas of focus and content in further key markets across the world, including Brazil, China, India, Japan, Columbia, Thailand and the United Arab Emirates. These global activities enable Koelnmesse to offer its customers bespoke events and leading regional trade fairs in a variety of markets, thus creating the foundation for sustainable international business. Koelnmesse is also ideally positioned in the field of food technology with its leading international trade fairs Anuga FoodTec and ProSweets Cologne and its global network of satellite events.
